

TECHNOLOGY BUSINESS & INNOVATIONS INCUBATION CENTER (TBIIC)

19th March, 2021

MENTORSHIP TRAINING WORKSHOP ON TECHNOLOGY INCUBATION & COMMERCIALISATION

Theme: Innovations For Real Development

DATE: 30-31st March 2021

VENUE: Busitema university main campus, faculty of engineering conference hall.

Training objectives

This training is aimed at enabling the participants to:

- i) Appreciate the path of how university research & innovation outputs can metamorphose into useful and marketable products & services
- ii) Understand how developed products and services can be commercialised beyond the labs i.e. Technology transfer.
- iii) Understand the best business development and management practices for innovators
- iv) Understand government direction, and thinking about innovators and entrepreneurs.

Expected training outcome

At the end of this training workshop, the participants should be able to:

- i) Appreciate the innovation potential of university staffs & students.
- ii) Acknowledge the strides taken by innovators to develop their innovations into commercialisable products and services.
- iii) Understand how the innovations can be marketed to create jobs and wealth for sustainable development.

Here below is the program for the workshop.

DAY ONE – Tuesday 30 th March, 2021		
TIME	ACTIVITY/ITEM	RESPONSIBLE
Session 1: Chairperson - Director Graduate studies – Ass. Prof. Samson Rwahwire.		
8:00 – 9:00	Arrival of participants	Mr. Bagoole Christopher.
9:00 – 9:10	Introduction of Key participants	Session chair
9:11 – 9:20	Remarks by US	US
9:21 – 9:30	Remarks by DVC	DVC
9:31 – 9:45	Opening remarks	Guest of Honor – VC
9:46 – 10:00	Overview about TBIIC	TBIIC Coordinator
10:01 – 10:30	Industry & Gov't direction, expectations, and opportunities for innovators	Dr. Francis Kisirinya, Deputy ED, PSFU
10:31 – 11:00	HEALTH BREAK	
Session 2: Chairperson – D/Director Quality Assurance - Dr. Biira Saphina		
11:01 – 11:25	Presentation of The Automatic Supermarket billing system	Prof. Semwogerere Twaibu
11:26 – 11:50	Presentation of the Busitema Hand Sanitizer	Dr. Gavamukulya Yahya
11:51 – 12:15	Presentation of improved solar-biomass hybrid fish dryer	Eng. Wangi Mario
12:16 -1:00	Innovations tour & exhibition, poster presentation, etc	Innovators 1-3
1:01 – 2:00	Lunch break	
Session 3: Chairperson – Eng. Dr. Otim Daniel, Dean FoE, Busitema Univ		
2:01 – 2:25	Presentation of Improved hydropower tiller	Eng. George Kilama
2:26 – 2:50	Presentation of Digital Emergency Referral System (DERS) – <i>for patients</i>	Prof. Peter Olupot Olupot
2:51 – 3:15	Presentation of Improved animal forage cutter	Mr. David Kisambira
3:16 – 3:40	Presentation of Development of Organic & Bio-Fertilizers	Mr. Denis Bwiire
3:41 – 4:10	Innovations commercialization & business growth	Prof. George Wiliam Bazirake
4:11 – 4:40	Innovations tour & exhibition, poster presentation, etc.	Coordinator TBIIC
4:41-5:00	Rapporteur & closure of Day 1	Dr. Rebeka Nekaka
DAY TWO – Wednesday 31 st March, 2021		
Session 1: Chairperson – Prof. Wilson Musinguzi, FoE, Busitema Univ		
8:00 – 9:00	Arrival of participants	Secretariat/Host

9:01 – 9:25	Presentation of Mobile phone application for monitoring non-communicable disease (NCD) risk factors	Dr. Denis Bwayo, Mr. Kanyike Andrew Marvin.
9:26 – 9:50	Presentation of Engine powered ground nut stripping machine.	Mr. Obeti Grism Lawrence.
9:51 – 10:20	Nurturing Innovations from ideas to Business-The MUBS experience	Dr. Diana Ntamu ED MUBS-EIIC
10:20 – 10:40	HEALTH BREAK	
Session 2: Chairperson – Dr. Ildephonse Nibikora		
10:41 – 11:05	Presentation of solar powered sewer sucker technology for pit latrine emptying.	Mr. Makumbi Tom, Maseruka Benedicto
11:06 – 11:30	Presentation of Automated drip irrigation system	Mr. Okirya Martin/ Kavuma Chris.
11:31 – 12:00	Product development, and market penetration	Mr. Ronald Emojong
12:01 - 12:30	Q&A, and General discussion (How to better & commercialize the current innovations)	Dr. Yahya Gavamukulya
12:31 – 12:40	Concluding remarks by Coordinator, TBIIC	TBIIC Coordinator
12:41 – 12:50	Concluding remarks by host dean	Dean, FoE
12:51 – 1:05	Workshop closing remarks	VC
1:05 – 2:00	Lunch Break	
2:00 -	End of Training workshop	

Thank you.
